Attorneys for Defendant
 Andrew Anglin

**UNITED STATES DISTRICT COURT
 DISTRICT OF MONTANA
 MISSOULA DIVISION**

TANYA GERSH,

Plaintiff,

vs.

ANDREW ANGLIN,

Defendant.

Case No. 9:17-cv-50-DLC-JCL

**DEFENDANT ANDREW
 ANGLIN'S SUPPLEMENTAL
 ANSWERS AND OBJECTIONS
 TO PLAINTIFF'S FIRST SET OF
 INTERROGATORIES**

**DEFENDANT ANDREW ANGLIN'S SUPPLEMENTAL
ANSWERS AND OBJECTIONS TO
PLAINTIFF'S FIRST SET OF INTERROGATORIES**

Pursuant to Rules 26 and 33 of the Federal Rules of Civil Procedure and the Local Rules of this Court, Defendant Andrew Anglin ("Anglin" or "Defendant") hereby submits his supplemental answers and objections to Plaintiff's First Set of Interrogatories.

GENERAL OBJECTIONS

1. Anglin objects to each instruction, definition, and/or Interrogatory to the extent it seeks to impose duties on Anglin beyond the scope of the Federal Rules of Civil Procedure or the Local Rules of this Court.

2. Anglin objects to each Interrogatory to the extent it seeks confidential, proprietary, or sensitive business information.

3. Anglin objects to each Interrogatory to the extent it seeks information protected by the attorney-client privilege or work product doctrine. To the extent any Interrogatory may be broadly interpreted to seek such information subsequent to the filing of this litigation, Defendant will assume such information is not sought.

4. Anglin objects to each Interrogatory to the extent it seeks information not within the possession, custody, or control of Anglin.

5. Anglin objects to Plaintiff's Interrogatories to the extent that they are vague, ambiguous, overly broad, or seek to impose on Anglin an unduly burdensome search for and disclosure of information that is neither relevant to the subject matter of this action, nor proportional to the needs of the case.

6. Anglin reserves the right to supplement, amend, and correct the responses set forth below, consistent with, and only with, Fed. R. Civ. P. 26(e)(1). Anglin's investigation is ongoing and the information contained in these answers is preliminary.

7. Anglin hereby incorporates by reference these general objections into each specific response.

RESPONSES TO INTERROGATORIES

INTERROGATORY NO. 1:

List any and all usernames under which you posted any comments in the forums for the Daily Stormer.

RESPONSE TO INTERROGATORY NO. 1:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as overbroad and unduly burdensome, as it is not limited in scope to any claim or defense, or even the general subject matter of this litigation.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

Andrew Anglin

INTERROGATORY NO. 2:

Identify all social media accounts, including the name of the social media platform and the username or handle associated with the account, from which you have posted any messages, whether publicly or privately, between November 2016 and the present.

RESPONSE TO INTERROGATORY NO. 2:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as overbroad and unduly burdensome, as it is not limited in scope to any claim or defense, or even the general subject matter of this litigation.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

GAB: @AndrewAnglin

Discord: AndrewAnglin (Defendant no longer uses this app).

INTERROGATORY NO. 3:

Identify each and every person who you believe participated in the “troll storm” (as dubbed in your December 16, 2016, article entitled “Jews Targeting Richard Spencer’s Mother For Harassment and Extortion – Take Action!”) against

Tanya Gersh and describe the reason for your belief, including any interactions that you have had with each identified person.

RESPONSE TO INTERROGATORY NO. 3:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as overbroad and unduly burdensome, as the portion of the Interrogatory requesting a narrative of “any interactions” with third parties is not limited by time or scope. This Interrogatory is compound and consists of two separate and distinct parts, and thus will be considered two separate Interrogatories.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

- 1) Andrew Aurnheimer; Defendant lacks personal knowledge of the identity of any other such alleged participants;
- 2) Mr. Aurnheimer publicly post his call; otherwise, no such alleged participant provided Defendant with his or her identity.

INTERROGATORY NO. 4:

Identify each and every person who possesses knowledge about, or who was involved in writing, researching, publishing or who otherwise assisted in, the publishing on the Daily Stormer of any article that relates to or references

Whitefish, Montana or Tanya Gersh in any manner, and describe in detail the specific knowledge these individuals possess, or their role in the writing, researching, publishing, or otherwise assisting in the articles.

RESPONSE TO INTERROGATORY NO. 4:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as overbroad and unduly burdensome. This Interrogatory is compound and consists of two separate and distinct parts, and thus will be considered two separate Interrogatories.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

- 1) Defendant refers to the authors identified in the relevant articles submitted as exhibits to Doc. Nos. 32 & 50. Tanya Gersh and Sherry Spencer, as subjects of the articles, possess information relating to their particular actions. The articles were written by Mr. Anglin personally, and he did not receive any assistance in writing them.
- 2) Defendant refers to the information set forth in the relevant articles submitted as exhibits to Doc. Nos. 32 & 50.

INTERROGATORY NO. 5:

Identify every communication (by indicating the date, the form (e.g., email, text message, direct message through an internet service, etc.), the parties to, and the subject of, the communication) you had with anyone regarding Sherry Spencer's December 15, 2016, blog post on Medium, or about its drafting, development, or purpose, or its actual or intended effect.

RESPONSE TO INTERROGATORY NO. 5:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as vague, overbroad and unduly burdensome. Defendant objects to this interrogatory as unintelligible. To the extent it is intelligible, this Interrogatory is compound and consists of four separate and distinct parts, and thus will be considered four separate Interrogatories.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

- 1) Defendant refers to the relevant articles submitted as exhibits to Doc. Nos. 32 & 50. Defendant communicated with Robert Ray (aka Azzmador) using the

social media app Discord. These communications are unavailable to Defendant, however, and he is unable to provide the requested information.

- 2) Defendant is not aware of any such communications as to the drafting, development, or purpose.
- 3) Defendant refers to the relevant articles submitted as exhibits to Doc. Nos. 32 & 50.
- 4) Defendant is not aware of any such communications as to the intended effect.

INTERROGATORY NO. 6:

Identify all e-mail accounts used by you or to which you have had access between November 2016 and the present.

RESPONSE TO INTERROGATORY NO. 6:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as vague, overbroad and unduly burdensome.

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

Defendant will provide this information subject to an appropriate protective order that excludes any person affiliated with the Southern Poverty Law Center from obtaining such information due to the dangerous propensities of its members.

INTERROGATORY NO. 7:

Identify all computers and devices, including but not limited to desktop computers, laptop computers, tablets, cellular telephones, smartphones, and smart watches and/or fitness trackers with GPS capability used by you or to which you have had access between November 2016 and the present and the current location of each such device.

RESPONSE TO INTERROGATORY NO. 7:

SUPPLEMENTAL RESPONSE:

Subject to the foregoing objections, Defendant answers as follows:

Defendant lacks personal knowledge of the information requested.

INTERROGATORY NO. 9:

Identify all land-line or cellular telephone numbers and the associated telephone carriers you have used between November 2016 and the present. For each telephone number identified, please provide the registered user for the number on the telephone bill, the dates of service for the number, as well as the dates of any change in the telephone carrier.

RESPONSE TO INTERROGATORY NO. 9:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as vague, overbroad and unduly burdensome. Defendant objects to this interrogatory as unintelligible. To the extent it is intelligible, this Interrogatory is compound and consists of four separate and distinct parts, and thus will be considered four separate Interrogatories.

SUPPLEMENTAL RESPONSE:

1. Defendant will provide information about telephone numbers subject to an appropriate protective order that excludes any person affiliated with the Southern Poverty Law Center from obtaining such information due to the dangerous propensities of its members.

RESPONSE TO INTERROGATORY NO. 10:

Defendant objects to this interrogatory as irrelevant and disproportionate to the needs of the case, as it makes no attempt to narrow itself to information related to any claim or defense of any party. Defendant objects to this interrogatory as vague, overbroad and unduly burdensome. Defendant objects to pre-judgment asset discovery as irrelevant. *See Signal Capital Corp. v. Frank*, 164 F.R.D. 7, 10 (S.D.N.Y. 1995) (“discovery concerning an opposing party’s assets is not ordinarily permitted, unless such discovery is relevant to the merits of the pending claim, or in response to a defense.”)

SUPPLEMENTAL RESPONSE:
